Rajesh Kumar Medisetti

Kakinada, Andhra Pradesh, India
+91 91823 42414 — rajeshmedisetti2004@gmail.com

Summary

Detail-oriented and motivated B.Tech student specializing in Artificial Intelligence and Computer Science. Strong foundation in Python, data analysis, and machine learning concepts. Experienced in developing AI-based projects, performing data preprocessing, and building predictive models. Demonstrates strong analytical thinking, teamwork, and adaptability. Seeking an entry-level IT role to apply technical knowledge and contribute to innovative solutions.

Technical Skills

Programming: Python, SAP ABAP
Technologies: Machine Learning, NLP Basics, Web Development
Database: MySQL
Tools: MS Excel, MS Word, Git/GitHub
Soft Skills: Hardworking - Time Management - Team Work - Communication Skills

Projects

AI-Based Sentiment Analysis System

- Developed a sentiment classification model using Natural Language Processing techniques.
- Performed text preprocessing including tokenization, stopword removal, and feature engineering.
- Implemented machine learning algorithms to analyze and predict sentiment accuracy.

Student Performance Prediction System

- Built a predictive analytics model to evaluate student academic performance.
- Applied data cleaning, visualization, and regression techniques using Python.
- Generated analytical insights through structured data interpretation.

Education

B.Tech – Artificial Intelligence & Computer Science 2021 – 2025
Kakinada Institute of Engineering and Technology (JNTUK)
CGPA: 7.4

Intermediate (MPC) – 91.9% 2019 – 2021
Narayana Junior College, Kakinada 2018 – 2019

SSC – GPA: 9.7
Z.P.H.S Peddapurappadu High School

Certifications

AICTE Internship Completion – AI & Machine Learning
Summer Internship Certificate – IIIT Hyderabad
Python Programming Certification

Achievements

Best Leading Cadet – National Cadet Corps (NCC) Best Performer – Abhiyaan Initiative

Languages

English (Professional) — Hindi (Conversational) — Telugu (Native)
